## Cable Installation Agreement

*The tenant requesting cable installation may choose the cable company of their choice, including WOW, AT&T, Time Warner etc. Permission to install cable is granted to your cable company with the following stipulations:*

- 1. The installer must call the Eventide office 15 minutes prior to starting the installation to arrange a meeting with an Eventide staff member for the purpose of agreeing on an installation approach.*
- 2. Following the installation work the Eventide employee must give a copy of this signed form to signify the installation was done in the agreed upon manner (routing, drilling, etc.).*
- 3. Previously installed but unused cables are to be removed.*
- 4. New cables are to be secured and neatly attached.*
- 5. No Cables are to be installed on/over any gutters & downspouts, on any roofs or on the front of any building.*
- 6. All installations must be on the rear 2/3's of the building. Any hanging wires between utility poles and house must be a minimum of 15 feet above ground level.*
